## PROFILE

I have years of experience in different industries and will bring forth a motivated attitude and a variety of powerful skills. Committed to utilizing my skills to further the mission of a company with a proven ability to establish and maintain excellent relationships with clients, students, and coworkers. Dedicated to identifying customer/student needs and delivering effective solutions to all types of problems. I have excellent time management skills and I am highly organized, and skilled in written and verbal communication. Committed to utilizing my skills to help others and motivated by my appreciation of the human spirit and our innate desire to learn. Adept in following lesson plans and fostering a classroom environment conducive to learning. Adept in using differentiated curriculum to address the various learning styles and needs of students, while ensuring information retainment. Cooperative faculty member who productively collaborates with all levels of school staff, as well as with the families of students. Adept in analytical thinking, strategic planning, leadership, and the management of staff and procedures.
